Mr. Jason Osborne

Dear Jason:

Congratulations on being selected as a White House Champion of Change. Thank you for the work you do every day.

From the earliest days of our founding, our Nation has been shaped by ordinary people who have dared to dream and used their unique skills to do extraordinary things. Americans like you help carry this tradition forward by reaching for new ideas that will help our country win the future. You and your fellow Champions embody the change you want to see in the world. Together, we will out-innovate, out-educate, and out-build the rest of the world to keep our country strong.

Congratulations, again, and I wish you all the best in your future endeavors.

Sincerely,
